She Was Too Good To Me

Pink Martini

She was too good to me
How can I get along now
So close she stood to me
She was too good to me
How can I get along now
So close she stood to me
Everything seems all wrong now

She would have brought me the sun Making me smile
That was her fun

When I was mean to her She never said 'go away now' I was a king to her Who's gonna make me gay now

It's only natural
I'm so blue
She was too good to be true

When I was mean to her She never said 'go away now' I was a king to her Who's gonna make me gay now

It's only natural
I'm so blue
She was too good to be true
