

Ghosts

Pink Turns Blue

This is your life
Wandering
This is your life
Disconnected
This is your life
At daytime
This is your life
At night time
Cause you're a ghost
You're a ghost

This is my life
Wandering
This is my life
I'm wandering
This is my life
Working
This is my life
I do function
Cause I'm a ghost

We're ghosts
At daytime
We're ghosts
At daytime
We're ghosts
For a lifetime
We're ghosts
For a lifetime

We're hopeless
We're wandering
Like machines
Wandering
Party Time
Happy People
Party Time
Let's function

We're ghosts
At daytime
We're ghosts
At daytime
We're ghosts
At daytime
We're ghosts
A lifetime
We're ghosts
For a lifetime
We're dead
Wandering
But dead
