

18 Wheeler

Pink

1. Hey, hey, man! What's your problem?
I see you tryin' to hurt me bad
Don't know what you're up against
Maybe you should reconsider
Come up with another plan
Cuz you know I'm not that kinda girl
That'll lay there and let you come first

R: You can push me out the window
I'll just get back up
You can run over me with your 18 wheeler truck
And I won't give a fuck
You can hang me like a slave
I'll go underground
You can run over me with your 18 wheeler but
You can't keep me down, down, down, down

2. = 1.

R: 2x

mezihra:

Everywhere that I go
There's someone waitin' to chain me
Everything that I say
There's someone tryin' to short-change me
I am only this way
Because of what you have made me

And I'm not gonna break!
