

Are We All We Are

Pink

Are we all we are
Are we all we are

Cut to now, holy wow
When did everything become such a hell of a mess
Maybe now maybe now can somebody come and take this off my chest

I know you think it's not your problem
I know you think that god will solve them
But if your sh-t is not together
It'll never be you and me, plant the seed
Open up and let it be

We are the people that you'll never get the best of
Not forget the rest of, rest of
We've got it all, we've had enough, we've had it up here
Are we all we are
Are we all we are

We are the people that you'll never get the best of
Not forget the rest of, rest of
Just say it loud, until the kids are singing right back
Are we all we are
Are we all we are

Are we all we are
Are we all we are

Seven seconds, seven seconds
That is all the time you got to make your point

My attention, my attention's like an infant trying to crawl across the joint
I know we're better than the masses
But we follow with our asses
And if our shit is not together
It'll never be you and me, plant the seed
Open and let it be

We are the people that you'll never get the best of
Not forget the rest of, rest of
We've got it all, we've had enough, we've had it up here
Are we all we are
Are we all we are

We are the people that you'll never get the best of
Not forget the rest of, rest of
Just say it loud, until the kids are singing right back
Are we all we are
Are we all we are

Are we all we are
Are we all we are

Four, that's how many years it took me to get through the lesson that I had
to do it all on my own
Three, that's how many hail mary's they would pray for me thinking I was gon
na end up all alone

Two for the second changes that you've given me, can it be?
Lucky me lucky me, now let's go
One is what we are, is what we are
Are we all we are
Are we all we are

We are the people that you'll never get the best of
Not forget the rest of, rest of
We've got it all, we've had enough, we've had it up here
Are we all we are
Are we all we are

We are the people that you'll never get the best of
Not forget the rest of, rest of
Just say it loud, until the kids are singing right back
Are we all we are
Are we all we are

Are we all we are
Are we all we are

We are the people that you'll never get the best of
Not forget the rest of, rest of
Look to the future, sing it loud, and take the power back
Are we all we are
Are we all we are
