

# Cuz I Can

Pink

Ha, ha, ha, we're gonna rock and roll  
Ra, ra, alright, I drink more than you  
Party harder than you do  
And my car's faster than yours too

P I N K, P I M P, I'm back again  
I know y'all missed me  
I'm so so sick, can't handle it  
Yeah, I talk shit, just deal with it

My rims are 23 inch  
And they're black on black no, they're not his  
Diamonds all over my tees  
You can try and try you can't beat me

So I'll cash my checks and place my bets  
And hope I'll always win  
Even if I don't I'm fucked  
Because I live a life of sin

But it's alright, I don't give a damn  
I don't play your rules I make my own  
Tonight I'll do what I want 'cuz I can

You know I'm rare, you stop and stare  
You think I care, I don't  
You talk real loud but you ain't saying nothing cool  
I could fit your whole house in my swimming pool

My life's a fantasy  
That you're not smart enough to even dream  
My ice is makin' me freeze  
You can try and try you can't beat me

So I'll cash my checks and place my bets  
And hope I'll always win  
Even if I don't I'm fucked  
Because I live a life of sin

But it's alright, I don't give a damn  
I don't play your rules I make my own  
Tonight I'll do what I want 'cuz I can, yeah

Uh, break it down  
It's tough times out here  
Ya know what I'm sayin' mmm, hmm

Yeah, I'm super thick  
People say I'm much too chic  
Come and kiss the ring  
You just might learn a couple things

I'm trying to school you dog  
Roof, roof, roof, roof, roof, roof  
I'm your worst nightmare  
Bring it we can take it there  
What are you scared?

So I'll cash my checks and place my bets  
And hope I'll always win  
Even if I don't I'm fucked  
Because I live a life of sin

But it's alright, I don't give a damn  
I don't play your rules I make my own  
Tonight I'll do what I want 'cuz I can

So I'll cash my checks and place my bets  
And hope I'll always win  
Even if I don't I'm fucked  
Because I live a life of sin

But it's alright, I don't give a damn  
I don't play your rules I make my own  
Tonight I'll do what I want 'cuz I can
