

1. I am an opportunity and I knock so softly  
Sometimes I get loud when I wish everybody'd just get off me  
So many playas you'd think I was a ball game  
Its every man for themself, there are no team mates  
This life gets lonely when everybody wants something  
This might have been your fate  
But they'll get their's eventually  
And I hope I'm there
2. Surrounded by familiar faces without names  
None of them know me or want to share my pain  
And they only wish to bask in my light, then fade away  
To win my love, to them a game  
To watch me live my life in pain  
When all is done and the glitter fades, fades away  
They'll get their's eventually  
And I hope I'm there
3. I drank your poison cuz you told me its wine  
Shame on you if you fool once  
Shame on me if you fool me twice  
I didn't know the price  
You'll get yours eventually  
So what good am I to you if I can't be broken?  
You'll get yours, yes you'll get yours  
Eventually.
