1. Doo doo doo doo doo doo...
   We go where we like,
   we got over time,
   we get paid to rattle our, chains
   We go in the back,
   paint our money black,
   spend it on the enemy
   Sleeping in the church,
   riding in the dirt,
   put a banner over my grave
  Make a body work,
   make a begger hurt,
   sell me something big and untamed
R: Now our time, real good time,
   (doo doo doo doo doo..)
   now our time, a real good time
   (doo doo doo doo doo..)
   now our time, (Said now our time),
   a real good time (It's really good time!)
   Baby, by all mine...
2. We know how to pray,
   party everyday,
   make our desolation look plain
  Riding in a rut,
   till the powers cut,
   we dont even have a good name
   Sleeping in the church...
R: Now our time, real good time...
   + doo doo doo ... baby
   (sell me something big and untamed)
   Now are time, real good time... oh,
   (doo doo doo doo doo doo...)
   now our time (Said now our time),
   (doo doo doo doo doo...)
   a real good time (It's really good time!)
   now are time, real good time...
   Feel good,
   Real good, it's the same old same
   Real good,
   Feel good, don't got no more brains
   Feel good,
   Real good, it's the same old same... yeah
   Feel good,
   Real good, I don't got no more brain!
