

# I Got Money Now

Pink

1. When I was a young buck  
I tried to be liked by  
Everyone, everyone  
I tried so hard to be funny and nice  
I tried so hard to be sugar and spice  
Didn't work for me  
Got old quickly  
But now I'm not losing sleep at night  
No one's calling me on the telephone  
To see if I'm at home  
Cause now I've got everything that  
I have ever wanted or so it seems  
Yeah so it seems yeah

R: You don't have to  
Like me anymore  
I've got money now  
I don't care  
What you say  
About me, anymore  
I've got money now

2. When I got a little older  
I realized, it's all lies  
There is no prize, there is no prize  
There is no heartache if you can afford  
Everything delivered right to your door  
Responsibilities  
This life is easy  
So now girl with everything  
How could she complain  
Cause she's got it made  
Yeah she's got it made  
I don't need to be tucked in at night  
Told that everything is gonna be alright  
Is gonna be alright  
Cause I don't have to fight

R: You don't...

3. I wouldn't trade a dollar for some sense  
I wouldn't trade a lifetime for some friends  
I've got everything and all is what it seems  
I worked so hard all of my life  
Just to have things I could call me  
I don't need no love  
Cause I have got enough  
So now I don't mind being alone all the time  
It's alright, I've got money now  
That's what it's all about  
And I'm so busy buying things and traveling the world  
I don't have time for friends or family  
And that's fine with me  
So it seems

R: You don't... (2x)
