```
R: Why was I the last to know
   that you wern't comin' to my show
   you could'a called me up to say good luck
   you could'a called me back you stupid fuck
   why..... was I..... the (last to know)
1. First date we ate sushi and
   it went well I was funny and
   you said I was a cutie
   thats the last thing I heard from you
   I left tickets at the door for you
   I had to tell my mum that there was no more room
   you didn't show that was so uncool
   you could'a called me back
   So, I guess this means that were not friends anymore
   I heard its me your asking for
   I thought i'd see you the show
   you said you'd go
R: Why was I the last to know...
   ... why... was I... the (last to know) (2x)
2. After the date I wouldn't go home with you
   I wouldn't put my hands in the air for you
   tried to get me do things I just won't do
   The last I heard from you
   heres how I quess the story goes
   you would'a came if I was a hoe
   funfull parts thats just not how I role
   move it on down the road
   So, I guess we shouldn't be friends anymore
   im sick of hearing thats its me your asking for
   'cause I thought I'd see you the show
   you said you'd go
R: Why was I the last to know...
   \dots why \dots was I\dots the (last to know) (2x)
```

```
*: You thought you knew me
I guess you didn't
you thought you had me
I think you didn't
you thought you knew me
I guess you didn't
```

```
R: Why was I the last to know...
    ... why... was I... the (last to know) (3x)
The last to know...
```
