

Long Way To Happy

Pink

1. One night to you
Lasted six weeks for me
Just a bitter little pill now
Just to try to go to sleep
No more waking up to innocence
Say hello to hesitance
To everyone I meet
Thanks to you years ago
I guess I'll never know
What love means to me but oh
I'll keep on rolling down this road
But I've got a bad, bad feeling

R: It's gonna take a long time to love
It's gonna take a lot to hold on
It's gonna be a long way to happy, yeah
Left in the pieces that you broke me into
Torn apart but now I've got to
Keep on rolling like a stone
Cause it's gonna be a long long way to happy

2. Left my childhood behind
In a roll away bed
Everything was so damn simple
Now I'm losing my head
Trying to cover up the damage
And pad out all the bruises
Do you know I had it
So it didn't hurt to lose it
Didn't hurt to lose it
No but oh
I'll keep on rolling down this road
But I've got a bad, bad feeling

R: It's gonna take a long time...

3. Now I'm numb as hell and I can't feel a thing
But don't worry about regret or guilt
cause I never knew your name
I just want to thank you
Thank you
From the bottem of my heart
For all the sleepless nights
And for tearing me apart yeah yeah

R: It's gonna take a long time...

R: It's gonna take a long time to love
It's gonna take a lot to hold on
It's gonna be a long, long, long, long way to happy, yeah
Left in the pieces that you broke me into
Torn apart but now I've got to
Keep on rolling like a stone
Cause it's gonna be a long long way to happy
