

# Long Way To Happy

Pink

1. One night to you  
Lasted six weeks for me  
Just a bitter little pill now  
Just to try to go to sleep  
No more waking up to innocence  
Say hello to hesitance  
To everyone I meet  
Thanks to you years ago  
I guess I'll never know  
What love means to me but oh  
I'll keep on rolling down this road  
But I've got a bad, bad feeling

R: It's gonna take a long time to love  
It's gonna take a lot to hold on  
It's gonna be a long way to happy, yeah  
Left in the pieces that you broke me into  
Torn apart but now I've got to  
Keep on rolling like a stone  
Cause it's gonna be a long long way to happy

2. Left my childhood behind  
In a roll away bed  
Everything was so damn simple  
Now I'm losing my head  
Trying to cover up the damage  
And pad out all the bruises  
Do you know I had it  
So it didn't hurt to lose it  
Didn't hurt to lose it  
No but oh  
I'll keep on rolling down this road  
But I've got a bad, bad feeling

R: It's gonna take a long time...

3. Now I'm numb as hell and I can't feel a thing  
But don't worry about regret or guilt  
cause I never knew your name  
I just want to thank you  
Thank you  
From the bottem of my heart  
For all the sleepless nights  
And for tearing me apart yeah yeah

R: It's gonna take a long time...

R: It's gonna take a long time to love  
It's gonna take a lot to hold on  
It's gonna be a long, long, long, long way to happy, yeah  
Left in the pieces that you broke me into  
Torn apart but now I've got to  
Keep on rolling like a stone  
Cause it's gonna be a long long way to happy
