- 1. One night to you
   Lasted six weeks for me
   Just a bitter little pill now
   Just to try to go to sleep
   No more waking up to innocence
   Say hello to hesitance
   To everyone I meet
   Thanks to you years ago
   I guess I'll never know
   What love means to me but oh
   I'll keep on rolling down this road
   But I've got a bad, bad feeling
- R: It's gonna take a long time to love
   It's gonna take a lot to hold on
   It's gonna be a long way to happy, yeah
   Left in the pieces that you broke me into
   Torn apart but now I've got to
   Keep on rolling like a stone
   Cause it's gonna be a long long way to happy
- 2. Left my childhood behind
  In a roll away bed
  Everything was so damn simple
  Now I'm losing my head
  Trying to cover up the damage
  And pad out all the bruises
  Do you know I had it
  So it didn't hurt to lose it
  Didn't hurt to lose it
  No but oh
  I'll keep on rolling down this road
  But I've got a bad, bad feeling
- R: It's gonna take a long time...
- 3. Now I'm numb as hell and I can't feel a thing
  But don't worry about regret or guilt
  cause I never knew your name
  I just want to thank you
  Thank you
  From the bottem of my heart
  For all the sleepless nights
  And for tearing me apart yeah yeah
- R: It's gonna take a long time...
- R: It's gonna take a long time to love
   It's gonna take a lot to hold on
   It's gonna be a long, long, long way to happy, yeah
   Left in the pieces that you broke me into
   Torn apart but now I've got to
   Keep on rolling like a stone
   Cause it's gonna be a long long way to happy
