

Love Song

Pink

1. I've never written a love song
that didn't end in tears
maybe you'll re-write my love song
If you can replace my fears
I need your patience and guidance
And all your lovin' and more

When thunder rolls through my life will you be
able to weather the storm

2. There's so much I would give you baby
If I'd only let my self
There's this well of emotions
I feel I must protect
But whats the point in this armour
If it keeps the love away too

I'd rather bleed with cuts of love than live with-
out any scars

3. Baby, can I trust this
Or do all things end
I need to hear that you'd die for me
Again and again and again
So tell me when you look in my eyes
Can you share all the pain and happy times

Cause I will love you for the
rest of my life

4. This is my very first love song
That didn't end in tears
I think you re-wrote my love song
For the rest of my years

I will love you for the
rest of my life
