1. I've never written a love song that didn't end in tears maybe you'll re-write my love song If you can replace my fears I need your patience and guidence And all your lovin' and more

When thunder rolls through my life will you be able to weather the storm

2. There's so much I would give you baby
 If I'd only let my self
 There's this well of emotions
 I feel I must protect
 But whats the point in this armour
 If it keeps the love away too

I'd rather bleed with cuts of love than live without any scars

3. Baby, can I trust this
Or do all things end
I need to hear that you'd die for me
Again and again and again
So tell me when you look in my eyes
Can you share all the pain and happy times

Cause I will love you for the rest of  $\ensuremath{\mathsf{my}}$  life

4. This is my very first love song That didn't end in tears I think you re-wrote my love song For the rest of my years

I will love you for the rest of my life
