

Missundaztood

Pink

Go Damon - Go Linda - Go Pink
Hahaha, yeah, it's me!

1. I might be the way everybody likes to say
I know what you're thinking about me
There might be a day you might have a certain way
But you don't in my luxuries
And its me, I know I know my name
Cuz I say it proud
Everything I want I always do
Lookin' for the right track
Always on the wrong track
But all you're catchin' are these tracks that I'm
layin' down for you

R: There's a song I was listenin' to up all night
There's a voice I am hearin' sayin' its alright
When I'm happy, I'm sad, but everything is good
Its not that complicated I'm just missundaztood

2. There might be a day everything, it goes my way
Can't you think I know I'm superfly?
I might see the world in a world inside of you
Then I just might say goodbye
And its my name I know, I say it loud cuz I'm
really proud
Of all the things I used to do
Cuz its the wrong track
Lookin' for the right track
And all you're catchin' are these tracks that I'm
layin' down for you

R: There's a song I was listenin' to... (2x)
Yeah, yeah, yeah...

3. Lookin' for the right track
Always on the wrong track
But all you're catchin' are these tracks that I'm
layin' down for you

R: There's a song I was listenin' to up all night
There's a voice I am hearin' sayin' its alright
I was taken for granted but its all good
Cuz I'll do it again, I'm just missundaztood
Said I'll do it again, I'm just missundaztood
I said I'll do it again, I'm just missundaztood
I said I'll do it again, I'm just missundaztood
Yeah, yeah, yeah, yeah
Uh! Yeah, yeah, uh! Uh! Uh! Uh! Bring it back, uh!
Damon: Exlax commercial?
