

# Numb

Pink

No sleep, no sex for you from your ex-girlfriend  
I was too deep, I can't let you go and just jump in  
At times, I would, push my feelings aside to let you feel  
I'm Novocaine, I'm numb and nothing's real

Like the coldest winter, I am frozen from you

I was weak before now you made me so numb  
I can't feel much for you anymore  
I gave you my all, my baby  
I'm numb, numb, numb

But the tears were silent inside you see  
(Mmm)  
But the tears were silent inside you see  
(Yea)

I laid there quiet, watched you have your way  
with me  
I might have cried, the tears were silent inside  
you see  
You called me names, made me feel like I was dumb  
I didn't feel a thing and now I'm gone, gone,  
gone

Like a battered child I got used to your pain  
But you know it's 'cause

I was weak before now you made me so numb  
I can't feel much for you anymore  
I gave you my all, my baby  
I'm numb, numb, numb

I was weak before now you made me so numb  
I can't feel much for you anymore  
I gave you my all, my baby  
I'm numb, numb, numb

Don't feel a thing, don't feel the pain  
Numb, numb, numb  
Said

I was weak before now you made me so numb  
I can't feel much for you anymore  
I gave you my all, my baby  
I'm numb, numb, numb

I was weak for  
Said now I'm numb, numb, numb  
No, no, no, no
