

# One Foot Wrong

Pink

1. Am I sweating  
all these tears on my face  
should I be hungry?  
I cant remember the last time that i ate.  
call someone  
I need a friend to take me down

R: But one foot wrong and I'm gonna fall  
somebody gets it, somebody gets it  
but one foot wrong and I'm gonna fall  
somebody gets it, somebody gets it  
all the lights are on but I'm in the dark  
who's gonna find me, who's gonna find me  
just one foot wrong, you'll have to love me  
when I'm gone.

2. Does anyone see this  
lucky me  
I guess I'm the chosen one  
color and madness  
first in line I put my money down  
some freedom  
is the tiniest cell in town

R: But one foot wrong...

3. Some people find the beauty in all of this  
i go straight to the dark side near this  
if its it bad  
is it always my fault  
did somebody bring me down (3x)

R: One foot wrong, I'm gonna fall  
put one foot wrong and I'm gonna fall  
but one foot wrong and I'm gonna fall  
somebody gets it, just one foot wrong  
and I'm gonna fall, somebody gets it  
all the lights are on but im in the dark  
who's gonna find me, who's gonna find me  
just one foot wrong, you'll have to love me  
when I'm gone.

Have to love me when I'm gone  
when I'm gone  
have to love me when I'm gone  
you'll have to love me when I'm gone.
