

# Revenge

Pink

Like Leo in The Revenant  
Abel in that Bible bit  
Revenge is sweet, isn't it?  
I really, really hope for it  
I know that it won't fix a thing  
A song like this that I could sing for you

All the feels you make me do  
A nightmare fucking coming true  
I wish I was a lawyer, I would sue you  
Sue you, take your dog, take your house, take your shoes, take your heart  
Now here comes that singing part

I'm daydreaming  
Let me count the ways  
How I'll get you, or how I'll make you pay  
Babe, I'm hurting and now you'll feel the same  
That's my plan, that's my plan, that's my plan

We could do revenge, revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet  
We could do revenge, revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet

Now here's where girlfriends come in hand  
Especially those that understand  
Crime's a crime but listen man  
Really cannot give a damn  
We've all been through this kind of thing  
Say the word we make it sting for him  
He can't just get away with it  
Eye for eye you piece of shit  
You treat us like a garbage pit  
Let me at him, wait for it, wait for it...  
Here's that singing part again

I'm daydreaming  
Let me count the ways  
How I'll get you, or how I'll make you pay  
Babe, I'm hurting and now you'll feel the same  
That's my plan, that's my plan, that's my plan

We could do revenge, revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet  
We could do revenge revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet

Well, in the beginning  
We felt like we was meant to be

I fell for you and skinned my knee  
But Hell with any injury  
Eventually you'll get up gingerly  
It feels like it'll take a century to heal  
But just know that I will  
But fuck trying to make amends  
I'd rather take revenge  
You're stickin' safety pins inside my atrium  
Your day begins at 8pm  
You hit the ATM in my Mercedes Benz  
With all your lady friends, whores  
Hit the club and you go out don't know a sum  
'Cause when I calculate the times  
You cheated and I total up all the amounts  
It doesn't add up 'cause you say that  
Just giving out your number doesn't count  
Then see me with someone new  
Get mad and flip it look how bad you spin it  
First you turn your back on me  
Then tell me that I stabbed you in it  
Stabbed you in it, stabbed you in it  
Stabbed you in it, stabbed you in it, slut  
So when you're driving, driving to his house  
And you pass me while I'm driving to hers  
Just remember, you cheated on me first  
You're a whore, you're a whore  
This is war, fellas, ladies

We could do revenge, revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet (so sweet, oh)  
We could do revenge revenge, revenge, revenge  
Together, together, together  
We could take revenge, revenge, revenge  
Revenge is sweet

Fuck yeah  
Fuck, no!
