

# Runaway

Pink

1. I've got my things packed, my favorite pillow  
Got my sleeping bag, climb out the window  
All the pictures and pain I left behind  
All the freedom and fame  
I've gotta find and I wonder  
How long it'll take them to notice that I'm gone  
And I wonder how far it'll take me

R: To run away  
It don't make any sense to me  
Run away  
This life makes no sense to me  
Run away  
It don't make any sense to me  
Run away  
It don't make any sense to me

I was just trying to be myself  
Have it your way I'll meet you in hell  
It's all these secrets that  
I shouldn't tell I've got to run away  
It's hypocritical of you  
Do as you say not as you do  
I'll never be your perfect girl  
I've got to run away

2. I'm too young to be taken seriously  
But I'm too old to believe  
All this hypocrisy and I wonder  
How long it'll take them to see my bed is made  
And I wonder if I was a mistake

3. I might have nowhere left to go  
But I know that I cannot go home  
These words are strapped inside my head  
Tell me to run before I'm dead  
Chase the rainbows in my mind  
And I will try to stay alive  
Maybe the world will know one day  
Why won't you help me run away

R: It don't make any sense to me  
Run away  
This life makes no sense to me  
Run away

4. I could sing for change on a Paris street  
Be a red light dancer in New Orleans  
I could start again to the family  
I could change my name come and go as I please  
In the dead of night you'll wonder where I've gone  
Wasn't it you, wasn't it you  
Wasn't it you that made me run away

R: I was just trying to be myself...  
It don't make any sense to me  
Run away

This life makes no sense to me  
Run away  
It don't make any sense to me  
Run away  
It don't make any sense to me

This life makes no sense to me  
It don't make no sense to me  
It don't make any sense to me  
Life don't make any sense to me
