

1. I don't wanna be the girl who laughs the loudest  
Or the girl who never wants to be alone  
I don't wanna be that call at 4 o'clock in the morning  
'Cos I'm the only one you know in the world that won't be home

Aahh the sun is blinding  
I stayed up again  
Oohh, I am finding  
That that's not the way  
I want my story to end

R: I'm safe  
Up high  
Nothing can touch me  
Why do I feel this party's over?  
No pain  
Inside  
You're my protection  
How do I feel this good sober?

2. I don't wanna be the girl that has to fill the silence  
The quiet scares me cause it screams the truth  
Please don't tell me that we had that conversation (I know we did)  
But I won't remember, save your breath, 'cos what's the use?

Aahh, the night is calling  
And it whispers to me softly come and play  
I, I am falling  
And If I let myself go I'm the only one to blame

R: I'm safe...

3. Coming down, coming down, coming down  
Spinning 'round, spinning 'round, spinning 'round  
I'm looking for myself - sober (2x)

When it's good, then it's good, it's so good till it goes bad  
Till you're trying to find the you that you once had  
I have heard myself cry, never again  
Broken down in agony just trying to find a friend  
Ooo Oooo...

R: I'm safe...

Ooo Oooo...

R: I'm safe...

+ Will I ever feel this good sober?  
Tell me, no, no, no, no, no, no, no pain  
How do I feel this good sober?
