

## The Great Escape

Pink

1. I can understand how when the edges are rough  
And they cut you like the tiniest slithers of glass  
And you feel too much  
And you don't know how long you're gonna last,

R: But everyone you know, is tryin'a smooth it over,  
Find a way to make the hurt go away,  
But everyone you know, is tryin'a smooth it over,  
Like you're trying to scream underwater,  
But, I won't let you make the great escape,  
I'm never gonna watch you checkin out of this place  
I'm not gonna lose you  
Cause the passion and pain  
Are gonna keep you alive someday  
Gonna keep you alive someday

2. I feel like I could wave my fist in front of your face  
And you wouldn't flinch or even feel a thing  
And you retreat to your silent corner  
Like you decided the fight was over for ya,

R: Everyone you know, is tryin'a smooth it over...

3. Oh, Terrified of the dark, but not if you go with me  
And I don't need a pill to make me know  
And I wrote the book already,  
But that chapter of my life will soon be done

\*: I'm the king of the great escape  
You're not gonna watch me checkin outta this place  
You're not gonna lose me  
Cause the passion and pain  
Are gonna keep us alive, someday  
Yeah the passion and the pain  
Are gonna keep us alive someday, someday
