G* ... Když posloucháte písničku, tak ve slokách slyšíte
na třetím pražci této změně velmi blíží.

1. You took my hand, you showed me how,
you promised me you'd be around... Uhuh, that's right...
I took your words and I believed in everythin' you said to me
Yahuh, that's right...

R: If someone said three years from now you'd be long gone,
I'd stand up and punch them out, cuz they're all wrong...
I know better, cuz you said forever,
and ever... Who knew?

2. Remember when we were such fools,
and so convinced and just too cool... Oh no, no, no...
I wish I could touch you again, I wish
I could still call you a friend,
I'd give anything...

R: When someone said count your blessings now,
for they're long gone,
I guess I just didn't know how, I was all wrong.
They knew better, still you said forever,
and ever... Who knew?

*: I'll keep you locked in my head, until we meet again...
Until we... Until we meet again...
And I won't forget you my friend,
what happened?

R: If someone said three years from now you'd be long gone,
I'd stand up and punch them out, cuz they're all wrong and,
that last kiss; I'll cherish, until we meet again...
And time makes it harder, I wish I could remember...
But I keep your memory, you visit me in my sleep,
my darlin'... Who knew?

My darlin', my darlin'...Who knew?
Darling, I miss you... my darlin'... Who knew?

Who knew...
