

## Lets go

## Pipes And Pints

Hanging out rocking out  
All together having fun - Lets go! Lets go!  
City in and city out  
Every night we're shouting out - Lets go! Lets go!  
Spending my time far away  
Meeting people everyday - Lets go! Lets go!  
City in and city out  
Let me here you shout it out - Lets go! Lets go!

Rock the concrete!  
Roll and slide!  
We're gonna ride until we die!  
Until we die!  
Rock the concrete!  
Roll and slide!  
We're gonna ride until we die!  
Until we die!

Passing past and memories  
Battling my disease - Lets go! Lets go!  
93 I started out  
I'll stay this way there is no doubt - Lets go! Lets go!  
I'm a Mugshot anyway  
Earned my scars in every way - Lets go! Lets go!  
Come on raise your voice with me  
Sing it loud and proud with me - - Lets go! Lets go!
