

Bathroom Laughter

Pissed Jeans

Bathroom laughter leads to kitchen crying
don't make me say i told you so
bathroom laughter leads to kitchen crying
trust me now, soon you'll know
you're in the kitchen crying
you're in the kitchen crying
i heard you in the kitchen crying
you're in the kitchen crying
you're in the kitchen crying
i can tell by your eyes, you were crying

Aaaaaaaaaahhhhhh

Dancefloor touching leads to hallway screaming
it happened just an hour ago
dancefloor touching leads to hallway screaming
if those were your friends, where'd they go
you're in the hallway screaming
yeah you're in the hallway screaming
you're causing a scene with your yelling
you're in the hallway screaming
yeah you're in the hallway screaming
people trying to get by, but you're screaming

Aaaaaaaaaahhhhhh

I'm sorry but you're not special
there's a pattern and it shows
you try walking on the ceiling
and you're gonna stub your toes
