

Half Idiot

Pissed Jeans

Poke me in the belly button
and you might get a laugh
workin on my cuticles
til my nails are torn in half

Hit my head within your basement
I feel like a giraffe
Startin to feel like a bum
surrounded by the handsome and dumb

half idiot (8x)

Run your hand across my hair
and you might catch a flake
Please keep me out the kitchen
I burn all that I bake
Why are all my allergies
year round for heaven's sake?
Stick out like a sore thumb
surrounded by the handsome and dumb

half idiot (8x)

Poke me in the belly button
and you might get a laugh
workin on my cuticles
til my nails are chopped in half

Hit my head within your basement
I feel like a giraffe
I think I got kinda dumb
Ask Seth if he's got any gum

[oh there's a]
half idiot (8x)
