

# I Broke My Own Heart

Pissed Jeans

I forgot to call myself  
I made myself mad  
I kept myself up all night  
I made myself cry  
I was late for my own dinner  
I stood myself up  
I forgot I had plans with myself  
I broke my own heart  
He broke his own heart  
I broke my own heart  
He broke his own heart  
I broke my own heart  
He broke his own heart  
I broke my own heart  
He broke his own heart  
I broke my own heart  
He broke his own heart  
I broke my own heart  
He broke his own heart
