

## Desperado

## Pissing Razors

There's no hope for my freedom  
come inside find my way

Pioneers of freedom, roam across this land  
Search the future, let them be a man  
Hope for freedom, are you willing to pay the price  
Life's a gamble are you ready to roll the dice

Feel me - Deep inside your brain  
Feel me - Deep inside your spine

I want you to feel my, pain for my freedom
