

# Hush Hush

## Pistol Annies

My brother got out of rehab  
Right around Christmas time  
Mama made a turkey, Daddy was worried  
He's was gonna have to break up a fight

Everybody was walking on eggshells  
Drinking eggnog instead of beer  
We were holdin' our tongues,  
Scratching our heads  
Wondering how the hell we got here

Hush hush,  
Don't you dare say a word  
Hush hush  
Don't you know the truth hurts  
Hush hush  
Push comes to shove  
It's best to keep it hush hush

We were sittin' 'round the dinner table  
And we were eatin' our pumpkin pie  
While a sugar coated, dirty little secret  
Was eatin' everybody alive

Well, Daddy's reading propaganda  
And he's talking about the End of Days  
Well, hear's to the vodka Mama's been sneakin'  
Let's all gather around to pray

Hush hush,  
Don't you dare say a word  
Hush hush  
Don't you know the truth hurts  
Hush hush  
Push comes to shove  
It's best to keep it hush hush

So, I snuck out behind the red barn  
And I took myself a toké  
Since everybody here hates everybody here  
Hell, I might as well be the joke

I'm gonna dance up on the table  
Singin' "This Little Light of Mine"  
God gave it to me, what good's it gonna do me  
If I don't, by God, let it shine

Hush hush,  
Don't you dare say a word  
Hush hush  
Don't you know the truth hurts  
Hush hush  
Push comes to shove  
It's best to keep it hush hush

Hide your tattoo  
Put on your Sunday best

Pretend you're not a mess  
Be the happy family in the front pew

Hush hush,  
Don't you dare say a word  
Hush hush  
Well, you know the truth hurts  
Hush hush  
Push comes to shove  
It's best to keep it

Hush hush,  
Don't you dare say a word  
Hush hush  
Don't you know the truth hurts  
Hush hush  
Push comes to shove  
It's best to keep it hush hush

Angaleena: What are the neighbor's going to think? Best shut their mouth.  
Ashley: Hush it. Be quiet.  
Miranda: Shh.

Best to keep it hush hush
