[Verse 1:]

I'm in the club and I cut into the scene  
Couple of pair fray fool smocking the green  
She's got her hand on my nuts what does that mean?  
Pointed at her friends and she said there tag team  
Now who said dreams don't come true  
It's like I'm dreaming when I come through  
I always find something to run through  
Speak into the mic mami mic check one two (ha, ha, ha)  
Drunk in the club off the chain  
But who gives a Fuck that's why I came  
So pour it up and get down  
You have no choice but to listen to pit now

[Chorus:]

Put your ass in reverse baby (back up)  
It don't involve money then (back up)  
Doggy for me and (back up)  
Every time I fall I get right (back up)  
Haters in the club (back up)  
Gold diggers (back up)  
Broke niggas (back up)  
I suggest, I suggest that you (back up)

[Verse 2:]

When I'm in the club DJ's bring it back  
When those questions asked but the number one question is (does he got cash?  
)

Roll another one no doubt  
Get a couple hoes roll out  
Beef you don't want non to go down  
Dum de, de dum dum that's my style  
The city in from is coming with better riles  
That ol make your crew run, run, your crew run, run  
It's nice to cum huh

[Chorus:]

Put your ass in reverse baby (back up)  
It don't involve money then (back up)

[Verse 3:]

I convinced mami to creep in the dl  
Even though my head is spinning like some Sprewell's  
Skip the details  
It's the bottom line that's testing my patience I got this  
I'm not impressed by the cool shit  
All those jeans all that ice all them cars all that's bullshit  
If that's what you're looking for keep looking hoe  
Cuz you got the wrong one bitch ill let ya know  
Mami's like damn that groupie shout out  
Bitch I came to the club to wild out  
If you came to act up  
Then you came to get from me bitch and um back up

[Chorus:]

Put your ass in reverse baby (back up)  
It don't involve money then (back up)  
Doggy for me and (back up)  
Every time I fall I get right (back up)  
Put your ass in reverse baby (back up)  
It don't involve money then (back up)  
Doggy for me and (back up)  
Every time I fall I get right (back up)  
Haters in the club (back up)  
Gold diggers (back up)  
Broke niggas (back up)  
I suggest, I suggest that you (back up)
