

# Don't Stop the Party

Pitbull

You don't get them girls loose loose (TJR!)  
You don't get the world loose loose  
You don't get money woof woof (Mister Worldwide!)  
But I do I do

You don't get them girls loose loose  
You don't get the world loose loose  
You don't get money woof woof  
But I do I do

I say, y'all having a good time, I'll bet

Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party  
Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party

I'm running through the world like I'm running back  
Scarface, world's mine, running back  
Thirty thousand people in Hanover to see me  
Eighty thousand people in London, Wembley  
Ninety thousand people in Morocco  
And I'm just getting warmed up, papo  
Catch me with Red One in Stockholm,  
Beirut, cafe getting my drink on,  
Voli  
Where all the pretty women hit the hooka  
All of them sweet, azucar, azucar  
Dale disfruta

They can't, they won't, they never will stop the party  
They can't, they won't, they never will stop the party

I say, y'all having a good time, I'll bet

Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party  
Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party

I'm from the city where they stress and they sleep real bad  
And now I'm doing shows in Helsinki (Finland)  
I know what ya'll thinking, you're thinking,  
That you can out think me, but you can't frankly  
I'm out for the benji's, frankies, c-notes  
Just cause you ain't me, don't hate me  
As a matter fact you should thank me  
Even if you don't, you're welcome Yankees  
Zig-a zig-a zig-a zig-a-zow  
Who got the keys of the world, now, yours truly, blow

They can't, they won't, they never will stop the party  
They can't, they won't, they never will stop the party

I say, y'all having a good time, I'll bet

Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party  
Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party

I'm a give it to ya, ah ah  
Now give it to me, ah ah  
I'm a give it to ya, ah ah  
Now give it to me, ah ah  
I'm a give it to ya, ah ah  
Now give it to me, ah ah  
Get funky, get funky  
Now stop!

I say, y'all having a good time, I'll bet

Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party  
Yeah, yeah, yeah  
Que no pare la fiesta  
Don't stop the party
