

Pleasure head out of your mind, seeing's believing - I see blind.

Drug

See what I mean is forgot what I like, seeing's believing - I see nothing.

Pleasure head out of site, you give me a reason I'll give you spite.

Drug

See what I mean is forgot what's right, you give me a reason I'll give you

nothing.

Now's the time to follow through, don't even say it I know it's you.

Drug

See what I mean is forgot what I like, seeing's believing - I see nothing

See what I mean is forgot what's right, seeing's believing - I see nothing

See what I mean is forgot what I like, seeing's believing - I see nothing
