

If we were sanitised before your eyes super-clean

would you remember when I said "they're gonna getcha??"

Sooner later one way or another.

So let go, I said so.

Our time to shine " nothing's gonna stop us.

If you sit tight, we alright.

High times to climb - you know nothing's gonna stop us now.

Do you remember when I said "I'm gonna get mine??"

Well this time we're taking sides gonna finish our final scenes

Innovate/imitate oh what's the difference.

So let go, I said so.

Our time to shine " nothing's gonna stop us.

If you sit tight, we alright.

High times to climb - you know nothing's gonna stop us now.

And it's the appreciation of imitations so it seems

Do you remember when I said "they're gonna save us??"

Yes Sir, well I tried, it's now or never.

So let go, I said so.

Our time to shine " nothing's gonna stop us.

If you sit tight, we alright.

High times to climb - you know nothing's gonna stop us now.
