

# If I Changed

Pixie Lott

What's the matter with you? You seem so sad  
Didn't he take you to the movies?  
I just don't get it. He says I'm not this enough, he says I'm not that enough. Why can't he just like me the way I am?

If I changed for you  
Would you like me, like me more?  
If I came to you  
Would it be different, than before?

Don't wanna let get go but you've got to know  
What you're asking o me is impossible  
It's up to you if you want to see this through  
And take me as I am.  
(Do it do it do it my way)  
Take me as I am (Do it do it do it my way)

If I changed for you  
Would you like me, like me more?  
If I came to you  
Would it be different, than before?

If I did it your way, you should say I would  
It wouldn't be me and you'll see me unhappy  
Someday you should understand the way I am  
And take my way  
(Do it do it do it my way)  
And do it my way (Do it do it do it my way)

Bridge:  
So if changed for you  
It wouldn't be good so I guess I should  
Change you  
(Do it do it do it my way) Change you  
'Cos I'm gonna replace you baby (Do it do it do it my way)

I can't hate you any longer baby  
This mess wont make are life stronger  
No no no no no  
Gotta move on,  
With or without you, yeah

If I changed for you  
Would you like me, like me more?  
If I came to you  
Would it be different, than before?

(Do it do it do it my way)  
My way baby (Do it do it do it my way)
