

# Use Somebody

Pixie Lott

Oh whoaaa oh oww [2x]

I've been roaming around  
Always looking down at all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody yeah  
You know that I could use somebody yeah

Someone like you and all you know and how you speak  
Countless lovers undercover of the street  
You know that I could use somebody yeah  
You know that I could use somebody yeah

Someone like you whoaa ow whoaa ow [2x]

Off in the night while you live it up  
I'm off to sleep  
Waging wars to shake the poet and the beat

I hope it's gonna make you notice yeaah  
I hope it's gonna make you notice yeah

Someone like me ohh whoaaa oh  
Someone like me oooh whoaaa whoow

I'm ready now [repeat]

Someone like you  
You know that I could use somebody yeeaaaah  
You know that I could use somebody yeaeah  
whoaa oh

I've been roaming around up  
Looking down at all I see
