

Bam Thwok

Pixies

I can hear the buzz of modulations of the universe
But you're the first to make me feel it
It's only joy I ache

Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka

Bosses and offices on Autopilot drip
They got the keys to the city but we got a lot of shakin' in our hips
Oh, you know me, I love the universe, I love all the listeners
Watch it! Here's 50,000 watts of goodwill! It's only joy I ache

Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka

I can hear the buzzing modulations of the universe
But you're the first to make me feel it
I love all the universe, I love all the listeners
Watch it! Here's 50,000 watts of goodwill!

Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka, bam thwok
Love, bang, crash, wakka, wakka
