Cactus

Pixies

Sitting here wishing on a cement floor Just wishing that I had just something you wore

I put it on when I grow lonely Will you take off your dress and send it to me?

I miss your kissin' and I miss your head And a letter in your writing doesn't mean you're not dead Run outside in the desert heat Make your dress all wet and send it to me

I miss your soup and I miss your bread And a letter in your writing doesn't mean you're not dead So spill your breakfast and drip your wine Just wear that dress when you dine

Sitting here wishing on a cement floor Just wishing that I had just something you wore

Bloody your hands on a cactus tree Wipe it on your dress and send it to me
