

Hey

Pixies

Hey
been trying to meet you
hey
must be a devil between us
or whores in my head
whores at my door
whores in my bed
but hey
where have you been?
if you go i will surely die
we're chained

Uh said the man to the lady
uh said the lady to the man she adored
and the whores like a choir
go uh all night
and Mary ain't you tired of this
uh
is
the
sound
that the mother makes when the baby breaks
we're chained
