

## Is She Weird

Pixies

1. I know you're rich in  
good clothes and little things  
your mind is fancy

R: Is she weird is she weird, is she white  
is she promised to the night  
and her head has no room  
and her head has no room

2. Your heart is ripshit  
your mouth is everywhere  
I'm lyin' in it

Is she weird  
is she over me  
like the stars and the sun  
like the stars and the sun

R: Is she weird, is she white...

3. No more of this girl cryin'  
I'm here, your big man  
you're mine

R: Is she weird, is she white...
