Pixies

Oh my, look at you go by
It's so nice just to see you

Oh ooh-oooh

It feels right here in the sunlight
And this ride is almost through

Oh ooh-oooh
Oh ooh-oooh

So goodbye and goodnight
I can't hide holding a bull's eye
A bullfighter and his crew

Oh ooh-oooh

It's so nice here in the sunlight
And this ride is almost through

Oh ooh-oooh
Oh ooh-oooh

So goodbye and goodnight
Goodbye and goodnight

Goodbye

La trapezista camina por la cuerda floja
Desde el D. F. y todo el mundo
Y ultimo a Zacatecas

So nice here in the sunlight
A bullfighter and his crew

Oh ooh-oooh
Oh ooh-oooh

So goodbye and goodnight
Goodbye and goodnight

Goodbye and goodnight

Goodbye
