Manta Ray

Pixies

All in a day
All for me
Trek across the space
It'll be just like they say

Oo, oo,
Oo, oo
Yeah

Since I am told
Month number three
He has no memory
Of flyers in the night

Oo, oo
Oo, oo
Yeah

They went away [2x]
My manta ray is all right [4x]

Police they say
My mother too
A fish from ocean blue
Above my head tonight

Oo, oo
Oo, oo
Yeah

There is a way [2x]
My manta ray is all right [7x]
(While Black Francis screams "All right!")
All right
