Pixies

Hope everything is alright hope everything is alright  
what's that floating in the water  
oh neptune's only daughter  
I believe  
in mr. grieves  
pray for a man in the middle  
one that talks like doolittle  
I believe  
in mr. grieves  
do you have another opinion  
do you have another opinion  
la la la la la la la la  
la la la la la la la la

got finally off to a finally dozing  
I believe  
in mr. grieves  
do you have another opinion  
opinion  
do you have another opinion  
do you have another opinion  
you can cry you can mope  
but can you swing from a good rope  
oh I believe  
in mr. grieves
