

# This Is My Fate

Pixies

Lake of the long ton  
Of the angel cake  
Only got one  
Dirty mandrake

"Hold that train"  
I told that skinner man  
This is my place  
This is my fate

Cross of the long arm  
Wine that's fortified  
Now to hasten  
Crucifixion

"Hold that train"  
I told that skinner man  
This is my place

Take a little more drink  
It's alright  
Take a little more drink  
It's alright  
Take a little more drink  
It's alright  
Take a little more drink  
This is my fate

"Hold that train"  
I told that skinner man

Hey mourning spirits  
Singing harmony  
Borax Mine Works  
Valley of death

"Hold that train"  
I told that skinner man  
This is my place

Take a little more drink  
It's alright  
Take little more drink  
It's alright  
Take a little more drink  
It's alright  
Take a little more drink

This is my fate  
This is my place  
This is my fate  
This is my place  
This is my fate  
This is my place
