

In the sleepy west of the woody east  
is a valley called the Pioneer  
we're not just kids, to say the least  
we got ideas to us that's dear  
like capitalist, like communist  
like lots of things you've heard about  
and rednecks they get us pissed  
and stupid stuff it makes us shout  
oh dance with me oh don't be shy  
oh kiss me cunt and kiss me cock  
oh kiss the world oh kiss the sky  
oh kiss my ass oh let it rock  
of the april birds and the may bee  
oh baby  
university  
of massachusetts, please  
and here's the last five  
it's educational  
it's educational  
it's educational  
it's educational  
it's educational.
