

Hold my head  
we'll trampoline  
finally through the roof  
on to somewhere near  
and far in time  
velouria  
her covering  
travelling career  
she can really move  
oh velveteen!

My velouria, my velouria  
even I'll adore you  
my velouria

Say to me  
where have you been  
finally through the roof  
and how does lemur skin  
reflect the sea?

We will wade in the shine of the ever  
we will wade in the shine of the ever  
we will wade in the tides of the summer  
every summer  
every summer  
every  
my velouria  
my velouria

Forevergreen  
I know she's here  
in California  
I can see the tears  
of shastasheen

My velouria, my velouria  
even I'll adore your  
my velouria
