

# The Night Is Still Young

Pizzicato Five

tokyo, 7 p.m.  
tokyo, 7 p.m.  
yeh yeh yeh ooh!

as I watched tv vacantly  
I had a strange dream  
woke up and saw the time  
tokyo, 7 p.m.

just to see you  
I've been dressed up since morning  
I want to be loved all night  
tokyo, 7 p.m.

the restaurant  
where we were to meet  
had closed and disappeared  
and I'm dying  
from hunger  
I wanna see you soon  
I wanna see you soon

tokyo at 7 p.m.  
this glorious city  
is like a lie  
I'm so lonely so I wanna see you

tokyo, 7 p.m.  
I truly love you  
but I'm so lonely and I wanna see you

a breeze hits me  
as I open the taxi window  
I'm rushing to see you  
tokyo, 7 p.m.

suddenly, an answering machine  
starts by itself  
and talks all night  
the tokyo night, mysterious

waiting for the lights  
at a crossing  
you are always so kind  
today again  
I'm a little late  
I wanna see you soon  
I wanna see you soon

tokyo, 7 p.m.  
but it's not christmas  
i'm so lonely, so I wanna see you

tokyo, 7 p.m.  
I truly love you  
I'm so lonely, and I wanna see you

In the whole world  
can you  
love only me?  
the restaurant  
where we were to meet  
had closed and disappeared  
holding only a  
bouquet of roses  
you are waiting alone  
the same roses  
I saw in a dream  
I wanna see you soon  
I wanna see you soon

tokyo at 7 p.m.  
this glorious city  
is like a lie  
I'm so lonely so I wanna see you

tokyo, 7 p.m.  
I truly love you  
I'm so lonely and I wanna see you

tokyo, 7 p.m.
