

Easy

PJ Harvey

Oyster pearl, you easy girls
You're flapping in, you're shouting
You're dead good, all the men say
Legs wide, hips swinging like a doorway

Easy
Easy
Easy

I'm ranting, I'm raving
I'm taking in just everything
You're giving me no leeway
I open once and you call me Devil's gateway

Easy
Easy
Easy
Easy

And I deserve it
I asked you for it
Have to admit it
We dress like tigers

And I deserve it
Give me no leeway
I will give you ...
You can call me Devil's gateway

Easy
Easy
Easy
Easy

Easy
Easy
Easy
Easy

Easy
 (And I deserve it)
 (And I deserve it)
Easy
 (And I deserve it)
 (And I deserve it)

Easy
 (And I deserve it)
 (And I deserve it)
Easy
 (And I deserve it)
 (And I deserve it)
