

# Good Fortune

PJ Harvey

Threw my bad fortune  
Off the top of  
A tall building  
But I'd rather have done it with you

Your boy's smile  
Five in the morning  
Looked into your eyes  
And I was really in love

In Chinatown  
Hungover  
You showed me  
Just what I could do

Talking about  
Time travel  
And the meaning  
And just what it was worth

And I feel like some bird of paradise  
My bad fortune slipping away  
And I feel the innocence of a child  
Everybody's got something good to say

Things I once thought  
Unbelievable  
In my life  
Have all taken place

When we walked through  
Little Italy  
I saw my reflection  
Come right off your face

I paint pictures  
To remember  
You're too beautiful  
To put into words

Like a gypsy  
You dance in circles  
All around me  
And all over the world

And I feel like....

So I take my  
Good fortune  
And I fantasize  
Of our leaving  
Like some modern-day  
Gypsy landslide

Like some modern-day  
Bonnie and Clyde  
On the run again
