

## To Talk to You

PJ Harvey

Oh grandmother  
How I miss you  
Under the earth  
Wish I was with you

To talk to you  
To talk to you

I found somebody  
Tried to give myself to  
Many times  
I wanted to talk to you

If I lay on the earth  
Could you hear

Oh grandmother  
I'm so lonely  
All my life

If I lay on the earth  
Could you hear then  
If I lay...
