Re rejection
Re rejection
Re rejection
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
The valley is crying
Don't ask me
Why it's grieving
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
I fill the sea
All with my tears
I drown the fields
You will remember, remember me
The valley is crying
The valley is grieving
He is, he's leaving
Abandoning me
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
I fill the sea
All with my tears
I drown the fields
You will remember, remember me
