## **My Guardian Angel**

## **Place Vendome**

I've got the strange feeling, That I am never really alone. I can feel her eyes follow me, Wherever I go, she will always know

Suddenly I'm awake, There is no one here all is empty here Maybe it's a mistake Could everything be a dream?

Guarding my heart, protecting my soul There is a guardian angel here She is watching over me Healing my wound, guiding me home There is a guardian angel here She is keeping me alive My guardian angel.

I'm looking in the mirror I can only see a stranger's face Who am I turning into Save me now, before it is too late

Suddenly I'm awake, There is no one here all is empty here Maybe it's a mistake Could everything be a dream?

Guarding my heart, protecting my soul There is a guardian angel here She is watching over me Healing my wound, guiding me home There is a guardian angel here She is keeping me alive My guardian angel.
